## Green Lancang -Mekong Initiative

Consultation on Lancang-Mekong  
Environmental Cooperation Strategic  
Framework was held in Beijing

As an activity of the Lancang-Mekong Environmental Cooperation Mechanism, “Consultation on Lancang-Mekong Environmental Cooperation Strategic Framework” host by China-ASEAN Environmental Cooperation Center was held in Beijing on March 30-31, 2017, supported by Asia Regional Cooperation Special Fund of Ministry of Foreign Affairs, and guided by the department of international cooperation of Ministry of Environmental Protection and China Secretariat of Lancang-Mekong Cooperation. More than 100 participants from MEP, China Secretariat of Lancang-Mekong Cooperation, Ministry of Water Resources, environmental department of the Lancang-Mekong Countries, provincial environmental departments, and international organizations like UNEP, CI, WWF, and enterprises.

All the participants have a sound discussion about the “Lancang-Mekong Environmental Cooperation Strategic Framework (draft)”, especially on the goals, principles, and priorities and mechanism building. Delegates from Mekong countries hope that the cooperation priorities could be based on actual conditions and focus on biodiversity, water quality management, air quality management and solid waste management etc.
