Lancang-Mekong Environmental Cooperation Roundtable Dialogue: Site Visit of Eco-demonstration Project was conducted in Yunnan

On March 22, 2019, as one of the "Lancang-Mekong Cooperation Week" series activities, the Lancang-Mekong Environmental Cooperation Roundtable Dialogue on the Outlook for Strategic Environmental Assessment: Ecological Demonstration Project was conducted in Yunnan Province, China.

International Environmental Cooperation Center of the Ministry of Ecology and Environment/Lancang-Mekong Environmental Cooperation Center organized Lancang-Mekong Environmental Protection Authority officials, international organizations, research institutions and representatives of environmental technology enterprises to visit the national Songming Yanglin Economic and Technological Development Zone, Master Kong (Kunming) Drinks Co., Ltd., Kunming New Energy Automobile Engineering Technology Center Co., Ltd., Yunnan Yili Dairy Co., Ltd., and Songming No. 2 Sewage Treatment Plant for the purpose of understanding the environmental management ideas, environmental treatment equipment and technology of the zone. Lancang-Mekong representatives have conducted in-depth exchanges with the project managers and technicians in the field of the operation and management mode, technical support, funds of the ecological demonstration projects.

The International Environmental Cooperation Center of the Ministry of Ecology and Environment/Lancang-Mekong Environmental Cooperation Center actively responded to the "Lancang-Mekong Week" activities and organized a Roundtable Dialogue on Lancang-Mekong environmental cooperation.
